NJBIZ Announces FinPro Inc. as one of the 2016 Best Places to Work in New Jersey

FinPro Inc. has been named one of the 2016 Best Places to Work in New Jersey in the Small/Medium Company category. The survey program identifies, recognizes and honors the top places of employment in New Jersey that benefit the state's economy, workforce and businesses.

Companies from across the state entered the two-part process to determine the 100 Best Places to Work in New Jersey: employee satisfaction survey and a workplace/benefits survey comparison between competitors. FinPro's charitable giving program, excellent training, pet-friendly atmosphere, employee events, quality benefits, and recreation space are some of the attributes which separate it from others.

Of the many who apply for the honor, The Best Places to Work in New Jersey program ultimately nominates 100 companies in two groups: 70 small/medium-sized companies (15-249 employees) and 30 large-sized companies (more than 250 employees). The registration and survey process was managed by Best Companies Group (BCG).
